

# Complete Dental Care Of Mebane Financial Policy

## Payment Options

We accept Cash, Visa, MasterCard. We also offer flexible financing through **CareCredit**® for patients who qualify. **CareCredit**® allows you to finance 100% of your dental treatment with no upfront costs, annual fees or pre-payment penalties. With a full range of payment plans, you're sure to find one that works well for you and your family. Call our office for details or apply online at <http://www.carecredit.com>

- **For patients without insurance**, it is expected that payment be made at the time of treatment, unless other arrangements have been made with us.
- **For patients with insurance**, we accept the responsibility of collecting directly from the insurance company. It is the patient's responsibility to pay any deductible, co-payment or any balance at the time of check-in / before treatment is started, for each appointment.

\*\*\*\*\*

Dental insurance can help aid patients with the cost of healthcare, however, it was never meant to provide 100% coverage for all services that you may want or need. Most dental insurance policies **pay only a percentage** of the total cost of basic care. Your policy is a contract between you, your employer, and your insurance company. We are not notified when changes are made in your policy, coverage, or filing addresses. Therefore, we need your help in providing us with complete, current and accurate insurance information in order to make estimates about your possible benefits.

***For any treatment plan of \$300.00 or more, we will submit a pretreatment estimate to your insurance company. The patient's part of the fee will be due at the time of treatment unless otherwise arranged.***

In case of a minor child or dependant patient, the parent or guardian presenting the child to our office will be considered to be the person responsible for the account. Our office cannot enter into negotiating benefits that might be due from an absent parent or legal guardian.

## Medicaid Patients:

- **You have a \$3.00 co-pay Every Visit if you are over the age of 21 years, unless:**
  - You are Pregnant, or
  - Living in a Nursing Home
- We require a copy of a current Medicaid card for all patients. Please bring the current card with you to each appointment. We also require a picture identification to verify the ownership of the insurance card.

**I have read the financial policy of Complete Dental Care of Mebane and I understand and accept my responsibilities as a patient in this office.**
